Email: _____

Emergency Contact: _____ **Phone:** _____

1. Why do you want to take the Journey Training?
2. How long and in what role's have you been working with children, youth, families and communities? Has this included work with Aboriginal and Metis children and youth? In community?
3. What strengths do you bring to working with children, youth and families? Why do you consider these to be strengths?
If you are interested in better understanding your key character strengths complete the free online survey @ <http://www.viacharacter.org/www/The-Survey>
4. What is your understanding of the term "well-being"?
5. On a scale of 1 (low) to 10 (high), assess your capacity to support vulnerable children, youth and families while maintaining a personal state of well being? Please give examples to support your personal assessment.
6. What supports and practices do you have in place to help you maintain a sense of balance and well-being? (work & personally) - what type of self-care do you practice?

7. How does culture influence your practice?
8. What are your “triggers”? Are you generally aware when and how they are activated and how to manage these? Please give examples.
9. What learning expectation do you have for this course and how do they fit into your long-term learning goals?
10. Have you done any other related trainings? If so please list these.
11. Any other comments you’d like to share including any food allergies/special needs that need to be considered.
